Summary

Here you can put the summary of your report

TABLE OF CONTENTS

1   Introduction

Just an example of structure and file organization. You can put the name of the Sections as you want. This is the way that you can make a citation [1]. For changing the cover page go to sas.sty file and look for the comment "Cover Page".

2   Section 2

You can **write bold texts** and lists:

- Item 1.
- Item 2.
- Item 3.

3   Section 3

Below you can find an example of a Table 1 and how you can change the orientation of a page using "landscape" tag:

Table 1: Caption.

Title 1	Title 2	Title 3
AAA	BBB	CCC
DDD	EEE	FFF

4   Section 4

Below an example of sub-section

4.1   Monitoring ML components as a black box
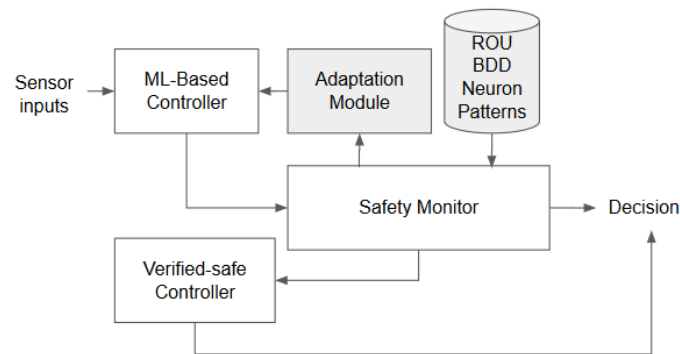

Below an example of Figure1.

Figure 1: Figure caption.

5   Section 5

The bibliography can be added in the Bibliography.bib file
